The Honorable Paul Hatfield
United States Senate
Washington, D.C. 20510

Dear Senator Hatfield,

It was certainly nice to have you join in the briefing on World-wide Intelligence which I was privileged to give to the Senate Armed Services Committee last Friday. I do want to reiterate both my welcome to you and my offer to be of any assistance to you in providing background intelligence information. At your pleasure I will be happy to come up myself, to send up staff officers, or to provide documents that would assist you in coming up to speed on some of the intelligence data that may be of use to you in your new and important assignment on this Committee.

Yours sincerely,

STANSFIELD TURNER
